

The Dartington Learning Postgraduate Bursary Fund exists to enable those with potential and in financial need to participate in our Masters programmes.

All applicants to a Full-Time Master's Programme may apply for a Tuition Fees Bursary.

Dartington Learning undertakes many fundraising activities throughout the year to build up the Bursary Fund to make our courses as inclusive as possible. We operate a policy of honesty and ask that students respect this and only apply for a bursary when in genuine need.

Bursary applications can only be considered once you have been interviewed and the faculty agree to support you in obtaining a place on your chosen programme.

Please read the terms and conditions carefully on page 4 of this form, and following the instructions given below.

HOW TO COMPLETE THIS FORM

- 1.** Complete the application form in type or write in CAPITAL letters and BLACK ink. You may use additional sheets of paper if necessary.
